

New Members

NMSC welcomes new members to our club and look forward to having you join us in the pool. On our schedules and fees web page you will see the details of the application process and answers to frequently asked questions.

The core groups can be found on the registration page, and are listed as A, B, C and D. To join the club, you can apply to be in multiple core groups (just indicate your priority).

The pool obviously has limited capacity and therefore our core groups do fill up. The returning members have a deadline to register for next season, at which point we fill the core groups on a first come first serve basis. Note as well that during the season we have individuals drop out of the program (for a number of reasons, for example moving away or injury) at which point we open the spot up for the next individual looking to join that group.

Once you join NMSC there is a two week grace period for you to decide whether NMSC is right for you. If you decide to withdraw we will refund your cheque. Please also note the regular policies of the club around refunds and departure policies.

If there isn't room to join the club immediately, you will be put on a wait list. If/when you are brought into the club; you will be contacted by email and offered a position. If we don't hear from you in a reasonable amount of time, we will contact the next person in line on the wait list.

If you join late in the season, your fees will be prorated for the season. You will still be required to pay the full \$25 MSO registration fee (needed for insurance) and a prorated club fees for the balance of the season.

For more information, please contact the registrar at registrar@nmsc.org.
